

HIGH BAY LIGHTING : ROUND HIGH BAY

Specs subject to change

Round High Bay

Which light is right for you?

Key Features

Round High Bay Light

The Round RCA High Bay light casts light in 120°. For best results and maximum light dispersal, the High Bay should be mounted 18' or higher.

Glare Reducing Diffuser

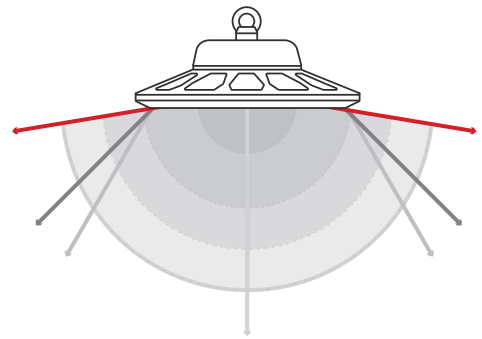

Proprietary diffuser reduces glare by evenly distributing light generated by high output LEDs.

Sealed Fixture

Lens sealed to LEDs to prevent dust and insect intrusion. Prolonging LED life.

Light Dispersion Diagram: 120° Coverage
